Declaration of Academic Integrity

I,

Last name, first name: Loginov Aleksandr

Student ID number: 1786817

hereby declare that I have written this thesis independently and have not used any sources or aids other than those specified. All direct or indirect content and ideas from external sources are acknowledged as references. I confirm that I have not previously submitted this thesis in part or whole for any other academic credit nor has the work been submitted to any other examination office and has not been published.

I confirm that I have only used text or other content-generating aids based on generative artificial intelligence (GenAI) in the manner permitted in writing by the examiner and that I have explicitly marked GenAI-generated passages.

When using GenAI tools, I have indicated these with their product name and listed them in full in an appendix.

I am fully responsible for any GenAI-generated passages and content I have used in my work.

Thesis title: Building Legal RAG: what each component contributes

Programme: Trends in Natural Language Processing

Examiner: Dr. Simon Werner

This is an achievement for a

☐ Bachelor's thesis

☐ Master's thesis

☒ other examination achievement for module (term paper etc.)

Trier, 30.09.2026
